## Photographer's Statement of Agreement

I, \_\_\_\_\_ (print name), the undersigned, as a photographer for Heart Gallery Los Angeles hereby agree to the following statements:

1. I understand that I am providing a charitable service to Heart Gallery Los Angeles for the purpose of photographing children who are in need of adoptive families. I understand that I will not be financially compensated for this service.
2. I understand that I agree to be in compliance with all California State regulations concerning the children involved.
3. I, under penalty of perjury, certify that I am not a convicted felon, nor under suspicion of committing a felony in the United States or in any other principality.
4. I understand that I cannot use the photographs or any representation of these photographs for any other business or personal purpose or otherwise; including for advertising, portfolios, websites and display.
5. I understand that I must keep confidential any information that I might learn of these children; including such information as residence, date of birth, last name, school, or any other known facts or details.
6. I understand that Heart Gallery Los Angeles and/or any representative or contractor of Los Angeles Department of Children and Family Services may use the photographs I have taken without further permission from me, for any use deemed appropriate by the aforementioned entities. I understand that, where possible and feasible, I will be given credit for the photographs I have taken.
7. I understand that I cannot hold Heart Gallery Los Angeles or any representative or contractor of Los Angeles Department of Children and Family Services liable for any accident or injury to me or to my property that might occur while photographing these children.
8. I understand that my agreement to photograph above-mentioned children is also an agreement to create photographs that, to the best of my ability, highlight the children themselves, fully understanding that the purpose of these photographs is to enable "heart connections" to be made with prospective adoptive families. I agree that if a choice must be made between highlighting my artistic skills and highlighting a child's personality, I will choose to best represent the child.
9. I understand that given the nature of this endeavor, I am given no guarantee that my photographs will be displayed. I understand that there are reasons beyond control for which a photograph might not be displayed, such as adoption before release of the photographs or a change in the child's status.
10. I understand that I am expected to provide Heart Gallery Los Angeles with 2-5 High Resolution .jpeg files and 2 11x14 photographic prints for each portrait session I complete and within a period of not more than 30 days from the session.

I understand that this agreement shall be forever binding.
